GREAT CURE

DR LELAND'S ANTI-RHEUMATIC BAND IS THE ONLY KNOWN REMEDY FOR Rheumatism, Gout and Meuralgia, AND A SURE OURE FOR

All Mercurial Diseases.

It is a conveniently arranged Band, containing a medicated compound, to be worn a round the Waits, without injury to the most delicate persons; no change in habits of living is required, and it entirely removes the disease from the system, without producing the injurious effects signify from the use of powerful internal medicines, which weaken and destroy the constitution, and give temporary relief only. By this treatment the medicinal properties contained in the sand come in contact with the blood and reach the disease, through the pares of the skin, effecting in every instance a perfect cure, and restoring the parts affected to a brail by condition. This Band is also a mostpowerful Arri Marcetast agent, and will entirely relieve the system from the persolous affects of Mercury. Moderate cases are curred in a few days, and we are constantly receiving testimodals of its efficacy in aggravated cases of long standing.

DR. KEYSER IS PREPARED AT ANY TIME TO IXAMINE LUNGS WITHOUT CHARGE, FOR ALL HOSE WHO NEED HIS MEDICINES. ATTEND TO YOUR COLDS —A case of five years' anding cured by DR. REYSER'S PECTORAL SYRUP.

PITTESUROR, Jan. 11, 1860. Dr. Kayser:—My wife has been afflicted with a bad cough and difficulty of breathing, for five or six years, which, for several years back, had gradually increased in violence. The complaint has been hereditary, and she had been treated by several physicians without any relief. In this state of her case, I procured some of your Pectoral Gough Syrup. I bought, the first time, a fit; cent bottle, which relieved her very much; I then called and got a dollar bottle, which cured her entirely, and she has now no trace of the former disease, except weakness. I would also state that I used the medicine myself to a cold and cough. The medicine cured me by taking one dose I express my entire satisfation with the medicine, and you are at liberty to publish this if you desire to do so.

Alderman Fifth Ward. Most Complete Establishment

Pressures, Nov. 18, 1838.

Dr. Kerser:—Although not an advocate of Patent Medicines, in general, it affords me pleasure indescribable to recommend your Pectoral Syrup. As a medicine it is well worthy the attention of any person who may in any manner be afflicted with coughs, colds and hoarseness of any hind, and for the peculiar qualifications for removing all that disagreeable sensation attending a severe cold.

moving all that disagreeable Sensation straining a vere cold.

I have been, more or less, in my life, affected with the severest of colds and hourseness. An times my throat would become so chosed as to prevent my speaking above a whisper, and by taking a few doses of the above Byrtip it would relieve me entirely.

In recommending this medicine, I must unhesitatingly say that it is the best remedy I ever found, purporting to cure the above, nor should any family be without this remedy for diseases so prevalent.

Yours, most respectfully,
EDWARD J. JONES,

COL. PRATT AND DR KEYSER'S PECTORAL SYRUP.—Da. KEYSER.—Dear Sir. Excuse the delay of my acknowledging the excellence of your Pectoral Cough Syrup scoper. I take great pleasure in saying that it is all you say it is. It knocked the notes out of my cough and the worst one I was over afflicted with I have not used more than one-half of the bottle, and I can and do wish that all who are afflicted would give it as fair a trial as I have done, and they will be proud to say, "It is no quack medicine." I would not suffer another such an attack for any consideration, or at any cost. I am confident I can breathe more freely than I svr did I shall always acknowledge a debt of gratitude for inventing so excellent a semedy. You are at liberty to use my name in this regard, as you think proper E. F. PRATT, Messenger Common Council, Pittsburgh, May II, 1859.

READ THE TRUTH, —DR. KEYSER: I have a daughter who has taken several medicines for a bad cough without benefit—among them ayer's Cherry Pectoral—I purchased from you a bottle of your PECTORAL SYRUP, and before she had used half a notice she was a subject of her.

A GREAT CURE BY DR. KEYDER'S TRADUCAL SYSUP.—I live in Peebles township, allegheny county. I had a coughing and spitting, which commenced acout the 4th of February last, and continued eight unruths. I employed the best physicians in the country, and my cough continued unabated until early in October. At that time I was advised to try your PECTORAL COUGH BY RUP, which I dod, and after I had taken one bettle 1 was entirely tree from the coughing and splitting I had despaired of ever getting well, and I think it should be known that this valuable remedy will do for others what it has done in my case.

JOHN C. LITTLE,

PATTON Tr., April 14, 1857.

A WONDERFUL CURB.—Some time ago, an old neighbor of mine was very ill with a bad cough which every one supposed to be consumption. His restricted me that he had taken every remedy they heard of without benefit; his prother came to see him die, and all were conditued in the belief that he could not lire. I had shout the third of a bottle of your Pectoral Syrup, which I gave him, and it entirely cured him, to the astronous himset of all. What makes the case more remarkable is the extreme age of the man, he beling about eighty years old. I have no doubt the Pectoral saved his line.

This is a specimen of the colloquy one hears almost every day in cold catching periods of the year. And we can, from actual experiment, cheerfally concur in the adviser's admonition as above, for we have tried the "Pectoral," in a most stubborn case, with entire success. Prov. O. J. Woon: Dear Sir:—In the latter part of the year 1852, while attending the State and National Law School of the State ot New York, my hair, from a cause unknown to me, commenced falling of very rapdily, so that in the short space of six months, the whole upper part of my scalp was almost entirely bereft of its covering, and much of the remaining portion upon the side and hace part of my head shortly after became gray, so that you will not be surprised when I tell you that upon my return to the fiste of Indiana, my more casual acquaintances were not so much at a loss to discover the cause of the change in my appearance, as my more intimate acquaintances were to recognize me at all.

I at once made application to the most skillful physicians in the country, but, receiving no assurance from them that my hair would again be restored. I was forced to become reconciled to my fate, until fortunately. In the latter part of the year 1857, your Restorative was recommended to me by a druggist, as being the most reliable Hair Restorative in use. I tried one bottle, and found to my great satisfaction that it was producing the desired effect. Since that time, I have used seven dollars worth of your Restorative, and as a result, have a rich coat of very soft black hair, which no money can buy.
